Message From the Principal

Bingham High is a memory. With our entry this fall into our new facilities, we embarked on a journey in education impossible to have taken a year ago in this area. Excellent facilities and equipment have been provided and additional educational opportunities have been opened. What is done with these materials and opportunities depends on teacher and student. The standards that are set this year academically, behaviorwise, and in the extracurricula area could well be the standards for a number of years to come.

Upper Kennebec Valley Memorial High School, better known as "Valley High" is the present and the future.

The Senior Class

Here we are in our last year of high school. Most of us have gone to school together for 12 years and we have many memorable experiences to look back upon. I'm sure that these experiences will never be forgotten.

This year is, of course, the most vivid in our minds, so I will give a short history of our Senior year. It seems that our class is one of leaders. It started last fall when we worked on an all-out campaign for John McCollar. It worked because he was elected Student Council President. Our other leaders are Bruce Bushey, President of the Math Club; Sue Sterling, National Honor Society President, Editor-in-Chief of the Boreas, and Co-Captain of the Girls' Basketball team; Caryl Forsythe, Band President; Barbara Hill, Cheerleader Captain; Kenny Belanger and John McCollar, Co-Captains of the Boys' Basketball team; and Lyle Stevens, President of our class. I think that everyone will agree that Lyle has had the hardest job. We are very proud to have had members of our class in every school activity.

On February 8, the Senior boys and girls were victorious in the Senior-Under-Grad. basketball game sponsored to earn money for caps and gowns.

On behalf of the Senior Class, I would like to take this opportunity to thank our teachers for instilling in our minds, sincere knowledge, never to be forgotten.

In Appreciation

We, the members of the Boreas staff, wish to express our appreciation to Mrs. Durgin for the tremendous amount of work that she has done on the yearbook and for the advice and assistance she has always been willing to give us in our yearbook work. She has given much of her time and talents to make this yearbook possible. We miss her in our school, but our best wishes are with her always.
